Welcome New Families!

The staff at St. Patrick School welcomes your family to be part of our family. We look forward to meeting you and seeing you at our school and parish events. All of our classes are small, so your child will benefit from individual attention and a family atmosphere.

All parents of children at St. Patrick School are members of the Parent Teacher Organization (PTO.) PTO organizes events such as the Gala and fundraising events. All parents are encouraged to attend the meetings and are expected to volunteer to help with events. Notification of the meetings will be sent by email.

If your children will be in grades other than preschool, we strongly encourage you to go to the school website (above) and find the STO link to apply for tuition assistance. Applications for 2018-19 are due March 29. If that deadline has passed, contact Mrs. Intlekofer for additional information on STO and local tuition assistance

Please complete the Intent to Enroll Form and return it with the deposit as soon as possible. The completion of this form does not guarantee that your child will have a spot in any classroom due to enrollment limits and the priority registration protocol. St. Patrick School typically has waiting lists for preschool.

Please call the school if you have questions or would like a tour of the school.

Blessings-

Jayne Intlekofer, Principal
